What have we been doing?

Welcome to our Summer newsletter. We had a busy Easter and are set to have a busy summer too. Exciting news as the New Home Economic room is nearly completed. After half term, we hope to invite all pupils into the new cooking facility and the school council are hoping to host cake sales events to raise money for resources. Without your generous support, we would not be able to offer your children such amazing opportunities and so would like to thank you for giving up your time and money to support it. We are currently looking for a business or company to sponsor the utensils and equipment within, so if you know of anyone who may be able to help, please email us on ptfa@longton.lancs.sch.uk.

Easter was fun for all, with a packed Bingo hall and a busy Easter shop. The bingo made over £200 and was made possible through your donations of Chocolate eggs. Thanks to Mr Coxhead, our resident Bingo caller, for a fun night.

The recipe books are selling well and are still for sale at a very reasonable £5.50. Perfect gift for parents, grandparents and family friends. Thanks to the Health Ambassadors and Josie Rawlings for their hard work on it.

Thanks to everyone who helped and supported our stalls at Longton Fete last Saturday. It was a great day and we raised over £200. Any ideas for next year?

Are you able to help with:

Spring Fair on Wednesday 18th June 2014.

Please see list attached of stalls and ways you can help.

Cashback that can benefit your children.

There are many ways that you can support our school raise that much needed money for those little extras that make a huge difference to the enjoyment of school life.

One such way is using cashback websites such as <http://www.easyfundraising.org.uk/>. Through ordering online on these site to buy your routine purchases , you could be donating cashback to Longton Association which could buy new resources.

Once you have accessed the website homepage, click on support a good cause. Add Longton Primary School and just fill in your name and details and then you can shop as normal except you will be advised of a cashback amount that your purchase will create for Longton Association.

The proceeds of this cashback will then be transferred to the Association Bank account, so it can be spent on enrichments for your child in school.

This is a quick and easy way of gaining funds with no outlay from yourselves. Please have a go, especially for any larger purchases as it really can make a difference.

Thank you for your support.
