

Ful-de-lul-de-loo!

COBWEB: ...with less of the ful-de-lul-de-loo stuff!

- 1 We will have a part to play in the latest saga,
Strut the boards here every day, ful-de-lul-de-lay.
Murderers and royal kings, we never make a to-do!
But if we should forget our lines...
It's ful-de-lul-de-loo!

CHORUS *Ful-de-lul-de, ful-de-lul-de, ful-de-lul-de-loo!*
 But if we should forget our lines...
 It's ful-de-lul-de-loo!

- 2 I could play an evil hag, I could play a soldier,
I could play a queen in drag, ful-de-lul-de-lay.
Lords and dukes and love-sick maids, we never make a to-do!
But if we should forget our lines...
It's ful-de-lul-de-loo!

CHORUS

- 3 What will Shakespeare write today? What will be the drama?
What d'ya think we'll have to say? Ful-de-lul-de-lay.
Long rehearsals, learning words, we never make a to-do!
But if we should forget our lines...
It's ful-de-lul-de-loo!

CHORUS
