

This half term our main focus will change to Geography. We will continue our swimming lessons on a Tuesday – the children are very excited 😊 Please continue to read daily and return the reading diary. Keep practising the 2x 5x 10x 3x 4x tables. We have lots of amazing Christmas activities planned for later this term including our trip to the Panto.
If you have any questions or queries please come and speak with me.

Geography: Volcanoes, Mountains, Earthquakes

KQ: Explain how volcanoes, mountains and earthquakes occur and the impact they have on life?

- Can you use a map to identify the Equator, Tropics and Cancer and Capricorn?
- Where in the world are different volcanoes found and why?
- What are the advantages and disadvantages of living near a volcano?
