

Lesson 22 • Tim's Money Tree

Name _____

Answer Questions

To find facts and information in a text, we usually ask the questions **Who? What? Where?** or **When?** The answers can be clearly seen in the text.

Read the passage.

A Good Idea

"Haven't you ever seen a money tree?" asked Mandy.

Tim shook his head. "How do people get a money tree?"

"Easy!" Mandy laughed. "They plant a coin in a pot full of dirt. Then they water it."

"When the coin grows into a tree, flowers grow on it. The flowers turn into money," she told him.
